

## **J4K News Autumn 2018**

**Welcome to Autumn / Winter. It feels like snow in the air— so please remember to pack warm/ wet weather clothing and footwear for your tamariki.**

**There is a huge interest in all things ‘Super Heroes ‘ at the moment. Lots of socio-dramatic play with Ninjas, Batman and their weaponry. We are discussing rules for gun use.**

**Marg made us some really cool ‘superhero’ labels for our list making, so now we can copy all the letters of their favourite characters. Thank you Marg.**

**Literacy is a big interest for everyone at the moment. Names are being written on all of the tamariki work so that it doesn’t get lost. There has been a lot of art work/ painting done. We now have a Unicorn, Rainbow, Star Wars display wall which we are adding to. The tamariki really concentrated on shapes and colours.**

**Lorraine is teaching us all a new waiata. She has been teaching us actions and making costumes . The tamariki are learning much faster than the kaiako. Ka rawe Lorraine.**

**Pink Ribbon Breakfast is on again. This year it is Tuesday May 22. At 10 am. In the J4K room. Please RSVP Heather soon so we can get the scone count right. Please wear pink and a smile. The money goes to Breast Cancer Foundation.**

**Reminder, there is no gym class this term.**

**Thank you Lorraine, Heather and Marg.**

**J4K team.**
